ORGANISATION DETAILS

TRUSTEES:

Nicola Dawes (Chair - until 31st December 2017)
 Karen Lord (Interim Chair - from 31st December 2017)
 Jenny Benfield (Treasurer)
 Margarida Littlefair (Secretary)
 Sarah Cape
 Paul English

With effect from 31st December 2017, Nicola Dawes stepped down as Chair of Trustees, taking on the paid role of General Manager from 1st February 2018.

The trustees were recruited after advertisements were published on our website and social media pages. Full role descriptions were provided and the trustees were appointed after meeting eligibility and reference checks.

The trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charities Commission in exercising their powers or duties.

Stripey Stork is a registered charity (Charitable Incorporated Organisation) in England and Wales (1161613) with the following object:

- (1) the prevention or relief of poverty in local UK communities by providing grants, items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.

The annual report and accounts were signed on behalf of all the Trustees on 21st June 2019:

Karen Lord

Jenny Benfield

WHO WE ARE & WHAT WE DO

Stripey Stork collect donations of equipment, clothes, toys and other items for babies and children, and distribute them to families experiencing hardship in East Surrey and surrounding areas.

We are a Redhill-based group started by a group of local Mums who wanted to see the baby items their children no longer needed re-used in the local community. Our service has grown over the five years we have been in operation and we have received support from individuals, companies, funding sources and other community groups.

There is a real need for this service in our area. 10% (22640) of children in Surrey live in poverty of which two thirds live in working households. In 17 local neighbourhoods of Surrey, over 30% of children aged 0-16 live in poverty.*

Stripey Stork does not support individuals or families directly, and instead receives requests from local professionals (health visitors, social workers, children's centres etc) on behalf of families in need. We try and meet the request from the items we have in stock or by putting a call out to our supporters via our Facebook and Twitter pages, or we use funds that are raised to buy items taking advantage of trade and charity discounts wherever possible.

Items are collected by these health professionals from our offices in Redhill and then delivered as part of the scheduled visits that the professional would make to the family. All donations go directly to local families that need support.

Stripey Stork prides itself on passing on items in great condition. All items are clean and safety checked where necessary. We want the families who receive items from Stripey Stork to feel they are receiving a gift and not a hand out. We take care in the presentation of our packs and where possible always like to include a little treat for Mum/Dad/carer.

WELCOME FROM THE GENERAL MANAGER & THE INTERIM CHAIR OF TRUSTEES

Approaching our 5th birthday has been a good opportunity to reflect on all that Stripey Stork has been able to achieve. Our statistics tell us that since we started we've responded to 5156 referrals and given out items worth over £1.5m, but what is also apparent is the sense of community we've been able to develop. It is clear that being a valued member of 'Team Stork', and what that stands for, is something that people want to be a part of. Be it regular volunteering, fundraising, supporting our campaigns or joining team mates to help at our office, I am so grateful to this growing team of ambassadors for the work they do. They are helping us to achieve our ambitious goals and to help more families in need.

One thing I am always proud of is our ability to be able to deliver a series of campaigns across the year in parallel with our core service. They are a great opportunity to be creative and to raise our profile but, most importantly, they allow us to have an impact in a meaningful way. A nicely presented Mother's Day gift with a card handwritten by one of our volunteers can have a real impact on a mum struggling and feeling alone. And we were able to do this on an even bigger scale this year with the Mum2Mum campaign.

Our Christmas campaign is always a highlight and the 'giving day' especially is a popular one in the calendar. The team who coordinate Santa Stork excelled themselves once again and everyone who came to collect items commented on how well organised it was. Meeting the demand for nearly 1500 present requests is no mean feat and we continue to harness the power of social media. A Facebook post shared at the right time saw us reach over 100,000 Facebook users. There were over 400 purchases from our Amazon wishlist within an hour and £2k donated online - our first experience of 'going viral' and what an important time to do it!

The Trustees asked me to put a focus on our community partnerships this year and we have certainly reaped the rewards. We created a Community Ambassador role which is much more outwardly focused. We also appointed a Volunteer Coordinator who supports our team volunteering sessions in addition to the regular volunteer sessions. Team volunteering sessions are booked up months in advance and we get great feedback. We have been able to introduce ourselves to community groups and local businesses and have made many meaningful connections.

A focus for the coming year will be finding and moving to a new home - the site here in Redhill is being sold for development. We've enjoyed our time on Quarryside but hopefully we can turn this uncertainty into a positive move to a bigger, new location that will allow us to achieve our aim of being able to respond to 3500 requests a year across Surrey by the end of 2021.

Nicola Dawes, General Manager
(September 2018)

I was delighted to take over as Interim Chair at the end of 2017 and pave the way for Nicola to become the organisation's first General Manager. It is a recognition of the commitment she has made to developing this thriving community resource, and it also gives the charity more security as we seek to grow and develop.

I have watched and supported Stripey Stork since it started and am proud that my involvement has now extended.

We read in the news each day the shocking statistics about child poverty, human slavery and domestic abuse - the service Stripey Stork provides is needed more than ever and we want to grow our capability and reach to get help to more of these families. The team are committed and enthusiastic and I know they are up to meeting the challenges.

With the support of local families who donate and volunteer, as well as our valued community partners, we share an aim to see all the children in our community being able to have the same start.

Karen Lord

We are so proud of what Stripey Stork has been able to achieve and are so grateful when others recognise this too. This year the Horley Tangent team were recognised by the Mayor of Reigate and Banstead Borough Council as Volunteer Team of the Year. Well done Chris and Gill (pictured) as well as Ann, Anne, Gaynor and Susan.

Also recognised was Jane from esure who has encouraged her colleagues to prepare brand new school bags filled with all the stationery needed for school.

RUNNING FOR THE STORK!

RUN REIGATE

Now in its fourth year, we had seen how this great community event had grown and we were keen to stay involved. We were therefore delighted to be recognised as an official charity partner and, in true Team Stork style, decided to make the very most of this!

Our call for runners was enthusiastically met and we had 66 runners across the half marathon, 10k and Canon Kids Race. Amongst this group were trustees, volunteers, supporters, referral partners and corporate groups. They were supported by a group of volunteers including a group of students from East Surrey College.

We set ourselves a target of 'being noticed' as well as raising valuable funds. Its safe to say that we did both - Priory Park was a sea of orange and turquoise that day and we raised just over £10k.

Well done to all who ran for Team Stork and raised just over £10k!

SUPPORTING THE STORK

We're always grateful to those willing to push themselves with a sporting challenge and raise funds for their favourite charity at the same time.

Emma, our Funding Coordinator, made her own significant contribution in raising £1,346 by completing the 1 mile open water Great North Swim on Lake Windermere.

A Surrey challenge for a Surrey team helping a Surrey charity! Nine colleagues from the Reigate & Banstead Family Services Team embarked on the 26 miles trip which is the Surrey Three Peaks Challenge. They picked a lovely day to do it and also raised a very valuable £1,808 - a fantastic team effort.

The team get to spend time together in a different setting and we benefit from their productivity in sorting and checking donations. The sessions are booked up months in advance and Stripey Stork really benefit from the skills and enthusiasm that each team bring.

The relationship rarely ends on the day and offers of help continue. We have a valued group of businesses and community groups as part of Team Stork and are so grateful for their support. And of course no trip would be complete without a photo in front of the 'Stripey wall'.

Rolls and rolls of support...

In kind donations are a great way for companies to support the work we do. We're lucky to be approached by lots of brands who want to share items with the families that we help, and its so lovely to be able to include new items in the deliveries we send out. Our whole ethos is that the recipient should feel they are receiving a gift and not a handout and with these treats then a gift it certainly is!

We remain focused on our core objective of sourcing items for babies and children in need, but sometimes an offer comes along that is too good to turn down.

When we told the team we'd been offered 35,000 new toilet rolls they thought we were joking, but it was an opportunity to use the network of contacts we have developed to benefit so many organisations across the county.

Within 6 weeks we found a home for every roll with over 60 foodbanks, hospices, charities and schools across the region. Useful items for them to pass onto beneficiaries or to save them some operational cost.

We also sold some at a bargain price to our supporters and made over £2,000 to support our work.

SANTA STORK

Our Christmas campaign is a highlight in the calendar and this year was no exception. To achieve something of the scale that we aim for, the preparations have to start early. The Belfry Shopping Centre in Redhill show great support for the appeal and we loved getting involved in the charity wrapping events and the 'Strictly' switch-on of the Christmas lights.

As a result of a large amount of community, individual and corporate help and support, we passed out gift bags filled to the brim with goodies for 1040 children and 438 of their parents - what a result! Goods valuing over £38,000 left the room in just one day, and they were sent with the very best wishes from everyone involved in supporting the campaign. The referral sources we work with came and collected the presents they'd requested for the families they support. All the presents were brand new and, in almost all cases, were items that the family or children had specifically requested.

We know this campaign is important because of the stories we hear. Imagine for instance having to tell your children that they won't be receiving any presents at Christmas. No presents at all. Children still in junior school who wouldn't have stories to share about the presents they received when they went back after the holidays.

That was the reality for a local family being supported by one of our referral sources. When talking to Mum about gift choices for the children she only mentioned two of her children:

"I've already told the older ones they won't be getting anything this year" she explained sadly. But we were able to help and presents went out to this family on Giving Day.

It's the reality of stories like this which make us realise how necessary Santa Stork is in bringing Christmas to as many local children in need as we can - regardless of age or circumstance.

We passed out gift bags filled to the brim with goodies for 1040 children and 438 of their parents - what a result!

Stripey's 'KINDNESS TRIBE'

One of the things that makes us proud is when kids get involved in supporting the work we do. The discrepancies between the haves and have nots in Surrey can be stark but by putting the spotlight on childhood poverty we can begin to get local children thinking of others from a young age.

Whilst we are providing more and more support to local schools who have pupils who need our service, we are also seeing more schools wanting to get involved in supporting our work and fundraising for us. Kindness comes naturally when you start at a young age, and we have a growing cohort of young Team Stork members who share our values.

Downsend Pre-Prep School in Ashted initially heard about Stripey Stork from a parent who works as a health visitor and had seen the valuable work we do first hand. The parents were keen to support a cause in the community and Stripey Stork appealed to them because of the help we give to local families.

Headteacher Tessa Roberts explained, "Supporting Stripey Stork has helped to strengthen the school's values and increase awareness of what charity means. Before, if pupils had heard of charity, they tended to think of it as giving money, which can be very abstract for children".

She went on to explain how concepts such as critical reasoning skills and developing empathy for others, whilst crucial, can be difficult to teach. The staff at Downsend embraced this partnership and were inspired to find ways to teach their pupils about these ideas.

Stripey Stork was also a regular topic of discussion in assemblies, where they talked about the work we do and the different ways in which the school could help. They created a lovely charity board to display information about our charity whilst also keeping everyone updated with news.

Stripes 4 Stripey

£1,919.50 WAS RAISED

As part of Small Charities Week in June we had the opportunity to secure some additional funds from Localgiving. The aim was to secure a pot of money we could use to buy the underwear and socks we supply to older children as part of our clothing packs.

We encouraged our supporters to wear stripes for the day on June 21st and wear stripes they did - we loved seeing all the photos and events that had been organised. Just under £2,000 was raised - and yes, that included the £300 from Localgiving for being the first group in our category with the most unique donations that day. Team Stork does it once again!

MUM2MUM

227 packs went out to local mums, including women staying at the local Refuge, young mums without any family support and those who have been rescued from human slavery.

Our Mother's Day campaign aims to provide a little treat to those who would otherwise be forgotten. A little gift from one mum to another. Packs were donated and we raised funds to make bulk purchase discounts.

This year we added in a new way to support the campaign by asking a local designer to create a Mother's Day card exclusively for us. The Fine Letter Co design was beautiful and it was sold in local shops as well as from our offices. It was the card we sent our own mums, and it was the card that our volunteers wrote for the mums we help.

Our volunteers wrapped and packed gifts and they were handed out to our referral partners in the weeks leading up to Mothering Sunday. 227 packs went out to local mums including women staying at the local refuge, young mums without any family support and those who have been rescued from human slavery. With the funds raised we were able to continue the gift-giving and we continued to add treats to the packs after Mothers Day.

A SPECIAL GIFT

"I went to visit him last week and he showed me his room. He has nothing in it except for a little rucksack which he packs a few clothes in for his stay each week."

This came from a request we received from a social worker we work with regularly. She was supporting a 10 year old boy from a family with a history of domestic abuse and chronic neglect. The boy is at a boarding school and loves it there. It's calmer, he gets more rest and he is flourishing. But he had so little in his room. Nothing to show who he is and what he is interested in, and it's not a room to proudly let friends come and hang out.

We set to work. This case had an impact on us so we found out a little more about this boy. Thanks to our amazing supporters we quickly gathered clothes, toys, books, toiletries, Lego, a new desk lamp and bedding for his room and we even supplied a reconditioned iPad mini. The son of one of our trustees - a boy of the same age - found posters and trading cards from his own collection which featured this boy's favourite football team and asked for them to be passed on.

Genuine kindness in action.

We caught up with the social worker afterwards who was able to give us an update.

"He was so thrilled with all the things he received and his bedroom at boarding school is now looking very homely. His response when he saw the iPad was lovely but the thing that won him over the most was 'his very own dressing gown!' He told me that he had never had one before and that he was looking forward to having a shower that night and wearing it from the bathroom to his bedroom! I have seen him several times since passing on the items and he is making good use of everything."

By operating the way we do we're able to direct the right items to the right places, and ensure that it's almost always more than just the essentials.

Something so simple as a dressing gown having such an impact. Imagine.

Thank you for all my stuff
PS I love all my stuff.

INDEPENDENT EXAMINER'S REPORT

Independent examiner's report to the trustees of Stripey Stork

I report on the accounts of Stripey Stork for the year ended 31st August 2018, which are set out on pages 12 to 14.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the general Directions given by the commission under section 145(5)(b) of the 2011 Act
- to state whether particular matters have come to my attention

Basis of independent examiner's statement

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

Name: Lynn Bailhache, 21st June 2019

Relevant professional qualification or body:

FCCA (Fellow of the Association of Chartered Certified Accountants)
