

Stripey's Family movie night.

You will need: Popcorn, drinks, colouring pencils or pens, scissors, glue, a torch, and a good movie!

What to do:

Step 1: Decide which movie you are going to watch.

Step 2: Print the free ticket, clapperboard and popcorn box templates (below) and decorate them.

Step 3: You might like to make some popcorn, here are some simple instructions:

www.cookieandkate.com/perfect-stovetop-popcorn-recipe/. Put it into the decorated boxes and set up Stripey's snack shop with popcorn, snacks and drinks for cinema-goers to enjoy.

Step 4: Set up the room like a cinema – close the curtains, make sure there's enough comfortable seating for everyone.

Step 5: Put all the tickets and clapperboard in the cinema, call everyone and, when they arrive, issue them with their tickets and use the torch to show them to their seats.

Step 6: Your guests might like to visit Stripey's snack shop to buy drinks, popcorn or snacks for the movie.

Step 7: When everyone is ready (make sure all phones are on silent!), announce the movie with the clapperboard and then sit down and enjoy the film!

If you are able to, maybe you could donate some of what you would have spent if you had gone to the actual cinema to the Stripes4Stripey appeal?

We'd love to see how your movie night went - upload photos to Facebook, Twitter and/or Instagram with the hashtag **#Stripes4Stripey2020** and don't forget to tag us **@StripeyStork**.
