

Stripes4Stripey Bingo

How to play

1. Schedule a virtual bingo game, using your choice of video calling software (zoom, Microsoft teams, skype etc).
2. Use this sheet to allocate each player a bingo card from the cards below.

Bingo card No.	Player Name	Bingo card No.	Player Name	Bingo card No.	Player Name
1		11		21	
2		12		22	
3		13		23	
4		14		24	
5		15		25	
6		16		26	
7		17		27	
8		18		28	
9		19		29	
10		20		30	

3. Send the players instructions to join the call, asking them to print their allocated bingo card beforehand. You can choose whether to play for a line in any direction, and/or a full house. You might like to suggest that players wear something Stripey and make a donation to Stripes4Stripey in place of their "ticket".
4. Before the call, cut out the bingo calls below and put into a hat or something similar, to be drawn during the game.

Have fun!
