

CORPORATE VOLUNTEERING

We're so pleased that you've chosen to spend your CSR hours with Stripey Stork, and we'll do our best to make it a busy and rewarding day.

Who we are and what we do

We are a community-based charity started by a group of local Mums in 2013. We gather donations of new and pre-loved baby and children's clothes, toys and equipment for local families in need. The demand for our service is ever-increasing.

We have a core team of volunteers who are busy sorting, safety-checking and preparing items ready for distribution, but we always need help and that's where you come in.

IN 2022...

We helped 9,594 families
and clocked-up 1,595 CSR hours

What to expect on the day

- ★ Our sessions usually run from 9:30am – 1:30pm, with a 30 minute refreshment break.
- ★ The first task of the day is always a cuppa,  followed by a briefing session.
- ★ Tasks will vary, but the main bulk of our work is organising, checking and preparing donations. Expect to get stuck into these jobs, from safety checking prams to ensuring puzzles have no missing pieces!
- ★ We want your day to be as rewarding as possible. A **dedicated trained member of staff** will be guiding your team throughout the day.
- ★ We also run **seasonal campaigns** which may require your help as needed. These are great fun to be involved in and we often find that volunteers like to come back year after year to help.

Local families helping local families

What we ask of you

We kindly ask for a minimum financial contribution of **£350** per group of up to **12 people**, which helps us to support vulnerable families in the local area. If you'd like to help even further, you could also organise a donation of products such as nappies or wipes, or organise a collection of new or pre-loved items from our monthly wish list.

If you still feel like you'd like to do more after your experience with us, then we are full of ideas and enthusiasm. We would love to hear from you –
